(a) whether Government propose to instal a High Power Television station to cater to the needs of the Tribal people of Parvatipuram agency area in Vizianagaram district Seethampeta agency area of Srikakulam district and Gunapuram, Gudari area of Koraput district;

(b) whether it is a fact that there is a proposal to instal a High Power Television Station at Donubhai, an important Tribal village in Vizianagaram district; and

(c) if so, by when?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF INFORMATION AND BROADCASTING (SHRI H. K. L. BHAGAT): (a) Parts of Vizianagaram and Srikakulam districts of Andhra Pradesh are covered by T.V. service from the high power (10KW) TV transmitter functioning at Visakhapatnam. A low power TV transmitter is envisaged to be commissioned into service at Srikakulam during 1989-90, as part of the Seventh Plan. Two low power TV transmitters one each at Koraput and Jeypore are, at present, functioning in Koraput district of Orissa. A high power (10KW) TV transmitter, under implementation at Bhawanipatna, is expected to provide service to parts of Koraput district, when commissioned into service towards the end of the Seventh Plan period. TV service to the remaining uncovered parts of the country including those of Vizianagaram and Srikakulam districts of Andhra Pradesh and Koraput district of Orissa can be carried out in a phased manner depending upon the availability of resources for this purpose in the future plans for TV expansion.

(b) and (c) No, Sir. There is no such proposal under Government's consideration at present.
